Note sui rivestimenti — Per ragioni tecniche non è possibile garantire lo stesso tono di colore tra un lotto di produzione ed un altro. Leggere differenze, con una tolleranza del ffl5% devono intendersi come normali e non possono dar adito a reclami o alla risoluzione del contratto. Sitland spa si riserva il diritto di apportare modifiche alle finiture contenute nella presente cartella senza preavviso alcuno. Ulteriori informazioni sulle caratteristiche tecniche di ogni singolo rivestimento sono disponibili nel sito www.sitland.com

Pulizia e manutenzione – Per la manutenzione dei tessuti consigliamo di passare con frequenza almeno mensile la superficie, utilizzando un aspirapolvere. In caso di unto, utilizzare solamente un panno leggermente umido e sapone neutro, non strofinare e lasciare asciugare naturalmente.

Note on upholstery – For technical reasons, batch to batch variations in shade may occur. Slight differences, within a tolerance of ffl5%, are to be considered as normal and acceptable and they cannot give rise to claims or to a breach of contract. Sitland spa reserves the right to make modifications to the finishes contained in the present folder without any prior communication. Further information on the technical characteristics of each individual upholstery is available on the website www.sitland.com

Cleaning and maintenance – For the fabrics maintenance, we suggest you to regularly vacuum clean. Stains can be cleaned with a soft damp cloth and mild soap; do not rub and allow to dry naturally.
